Introduction

My first book's objective was to convert people in the entertainment industry into conservatives and Christians.

Several things have changed since then. For one, I am no longer a fan of Ellen DeGeneres. I have become more conservative because of my deeper understanding of what is going on, who is pulling the strings, and how everyone is being manipulated through the Cabal controlled media. My faith plays a big part of my life and I believe that GOD is not happy, so he is exposing a lot of people. The objective of this book will be to awaken people from the slumber induced by the mainstream Mockingbird Media.

Originally, I am not from the United States, but Singapore. Nonetheless, I am a legal immigrant and do not want the United States of America to be turned into an illegal hellhole. I want it to return to what it was like in the late 1970s when I first arrived in this amazing country.

The last 5 years have been a rollercoaster ride for our President, Donald J. Trump, with many obstacles, opportunists and traitors to contend with while restoring strength and vitality to our economy and to the American spirit.

Preface

Loving thanks to my Dad, the former Chairman of the Singapore Stock Exchange and CDL Hotel chain, my Mom who was the Lawyer in Charge of Land and Titles in Singapore, my influencer friends George Nasif, Scott McKay, Bishop Larry Gaitors, Amanda Grace, Susie Bryson, Brennan Low, Dr. Tim Jennings, Ricky Rebel, Roseanne Barr, Paloma Zuniga, Janet Proffer, Gene Decode, my Manager, Ian, my Stepmom Chris Ang, my fellow Seventh Day Adventists, Truth, and GOD The Almighty, for his guidance.

This is my second book. My first one, “Singaporean Thoughts”, was written before I was a Conservative Political Pundit who has been Red-Pilled.

Actress Cirsten Weldon Says China Paid Joe Biden to Test 'Weather Warfare' on Texas

BY DANIEL VILLARREAL ON 4/2/21 AT 9:23 PM EDT

Newsweek

U.S.

CHINA

JOE BIDEN

TEXAS

WEATHER

Former actress Cirsten Weldon has claimed that China paid President Joe Biden "billions of dollars" to test their "weather warfare" weapons in the United States. The weapon allegedly caused extreme winter storms to hit Texas.

Right Wing Watch posted a video clip in which Weldon made her comments. In the clip, she said that China's weather warfare weapons included "bunker fuel in the ocean and pulling down the polar vortex."

"They pulled it down, and they hit all of Texas, as you know it had a huge freeze so yeah that's what happened," Weldon said.

Despite reaching out three times to Newsweek for a comment, I received no response.

Dear Cirsten Weldon,

My name is Daniel Villarreal and I'm a journalist with **Newsweek**.

Do you have any additional comment regarding remarks you made accusing President Joe Biden of taking billions of dollars from China to use "weather warfare" weapons in the United States? Can you tell me anything about your sources for this information or where I can see more of your videos?

The clip in question that I'm referring to is here - <https://twitter.com/RightWingWatch/status/1378076715084346344>

Any comments would be greatly appreciated.

Sincerely,

Daniel Villarreal

My response>

to Daniel

I called 3 times no response I did some research ><https://www.cnn.com/shows/farred-zakaria-gqs> of CNN created by CIA picks your covers including Grete Thunburg whose Parents are Antifa handler radical German Luisa Neubaur writes all her speeches and travels with her... Do some research and know whom you are working for... So the interview was to try to Frame me and RightWingWatch has many bots not real followers that is why they have low RT in ratio to their numbers!! also they are funded by George Soros who also funds attack dogs #MediaMatters #MoveOn.org and Pueblo Sin Fronteras who bring the illegal caravans up!!! I am a Truther they cannot use Nazi,Racist,Mysogonist,Facisist Labels on my so they use Conspiracy Theorist which is all CIA Propaganda terms from #OperationPaperclip where 1600 Nazi Scientists were brought into the CIA >next Q is a group in the NSA of 10 >Anons are worldwide patriots of 300 million... That is why you do not want to do a Live interview so you can twist my words and frame me like they did Jan 6th let the inciter @JohnSullivan of Antifa/BLM go and never even arrested Jade Sacher of CNN...Wow you Journalists hardly do any Research!!! SAD wish there were more Truthers>Journalism 101 you never reveal your sources!!!><https://www.thecourtdaily.com/jade-sacker-caught-camera-john-sullivan-capitol-building23994/> both interviewed by known CIA operative >Anderson Cooper CNN... I wish you so called Journalist would expose the Truth just once!!! #Pathetic and #SAD

They decided to go forward with the Hit Piece which was mostly correct but taken out of context>they did not put a picture of me because I am asian and did not fit the serotype of Racist,Misogynist,Facisist !! and they did not even try to go for the weatherwarfare because NASA,DOD and CIA who created CNN their brainwashing tool called #CNNSyndrome along with funding Google and Youtube the CIA actually gave over 100Million to Neucarlise North Korea.

The Newsweek feature, i.e. Hit Piece, was an attempt to frame me. Right Wing Watch, an online media outlet that attempts to “expose” people who have conservative views, has also recently taken a dislike towards me. Their Twitter profile has many fake bots that support it, and very few real followers. This explains the low retweet-to-follower ratio they have. Right Wing Watch is funded by George Soros, who also funds media attack dogs like Media Matters, MoveOn, and Pueblo Sin Fronteras which brings illegal caravans into The United States.

As a Truther they cannot not use the typical labels and epithets of Nazi, Racist, Fascist, Misogynist, so they settle for Conspiracy Theorist. All of these terms were created by the Central Intelligence Agency [CIA], with ties to Operation Paperclip, a U.S. Intelligence Program that brought 1,600 Nazi scientists into the United States to work for the CIA after WWII.

CNN, which was created by the CIA, runs cover for Greta Thunberg and her Antifa parents and radical German handler, Luisa Neubauer. Neubauer travels with

Thunberg and writes her speeches. People need to do their their research and learn who these radicals are working for.

Clowns in America

The Central Intelligence Agency, of as I call them, the Clowns in America, are like a circus as they do many freaky things. They are also the ones who bring in cocaine from Columbia and poppies from Afghanistan; Cocaine Importing Agency is another name for them. The Clinton News Network

[CNN] and the CIA News Network [CNN] are names that can also be used interchangeably. The CIA started selling drugs in Harlem, New York to get funding. The CIA also funds both sides of every war, creating chaos and profiting from war.

The CIA protects and conceals much of their information. They also have control over many shocking scientific technological advances which have not been released to the public. A lot of their money comes from international drug running. Psychological operations are also a huge part of what the CIA does. The race based revolution they began in the United States continues to be aided and promoted by mainstream media's propaganda that right wing racists were attacking blacks. The wave of anti-Asian hate crimes has been perpetrated mostly by blacks, many of whom were recently released from prison. This is related to the movement to Defund the Police, which has a chance of coming to fruition. Another main objective of theirs is to take the guns away from Americans, an operation which, up to this point, has failed. In 2019, they had to get all of their drugs off of Epstein Island before it was raided. The drugs were moved to three submarine bases in the Bahamas. There were two Chinese bases and the third, Maersk, a Danish base. All these bases were taken out by Hurricane Dorian. To be clear, M15, M16, CIA, Mossad and the FBI all work together.

WEATHER, WARFARE & WEAPONS

When they say "climate change", what they really mean is weather warfare and not evolutionary climate change. They say the world is getting warmer, but it is just the opposite, it is getting colder. Al Gore made a lot of money from global warming, and they can't even call it global warming anymore. They call it climate change because it is a more legally ambiguous term. As far as weather warfare weapons go, the Deep State developed weapons of weather warfare and tried to import them to the countries of The Five Eyes. FVEY is a military, human and signal intelligence cooperative between Australia, Canada, New Zealand, UK and the U.S.

These weapons were used to create fires in Paradise, California, and were created by the Raytheon Corporation. "The Company" also removed tactical nukes from Florida's nuclear base in Port St. Lucie. Along the coast the CIA, NASA and the DOD have created storms and use weather warfare to increase food prices. This suggests the involvement of the USDA as well. Related to

this, under Joe Biden, the USDA is paying farmers 1.5x the usual price for their crops, not for purchase, but to destroy them. This also increases the price of food.

The CIA also makes use of Direct Energy Weapons, which can be used against people through walls, making deaths look accidental, natural, or caused by cancer. Another weapon they use is an ice pick gun that fires a tiny projectile for covert assassinations. They claim to be about “climate change”, but it is weather warfare. They are disturbing/manipulating the flow of the atmospheric rivers which are naturally occurring bands of vapor, wind and heat that originate in the tropics and run pole to pole which can cause extreme rainfall and floods. They use Direct Energy Weapons to start fires in California. Every year in California the fires are three times worse than the previous year. Subscribers of mine have reported having seen lasers starting fires in California. Hundreds of people were arrested in Australia and dozens in Oregon for starting fires. Antifa members, dressed as firefighters, were helping to start the fires while pretending to bring water in order to gain access to these areas.

Singapore pays 10% of their operating income to the Cabal, so they have good weather. Singapore is the largest banking center, and one of the largest transportation hubs in the world, and having good weather means that products are shipped on time. If you do not pay up you might get a lot of fires, floods, tornadoes, or other inclement weather. Singapore is one of over 100 protected cities that pay 10% of their operating revenue to the Rothschilds and Rockefellers to have good weather. This is the same way that the Mafia gets their profits from protection payments.

The CIA’s MK-Ultra Mind Control Program has caused many Americans needless suffering, pain, and death. One example of this is the former Marine who killed the American Sniper, Chris Kyle. The assassin was likely an MK-Ultra mind controlled victim himself. They often use these “assets” as government hitmen/assassins, who are dispensed with after their services have been rendered. This may surprise you, as well as the fact that Edward Snowden is a CIA operative who was used in an attempt to dismantle the NSA. Intelligence agencies should not exist the way they do now. The CIA and FBI are unsalvageable. They are so corrupted that they have passed the point of no return. The Secret Service, on the other hand, does a decent job. Question: Why is the CIA in Afghanistan? Answer: Because they are protecting the poppy

fields for the Bush family's production of heroin and opiates. That is not their job, but they do make their money from gun-running, drug trafficking, human trafficking, and staging mass shooting events with multiple shooters, and one patsy. Some examples of this are the JFK assassination, Parkland shooting spree, and Las Vegas massacre. Let us not forget their tentacles run throughout mainstream media and control the narrative.

MASS SHOOTINGS IN THE UNITED STATES

The FBI acts as the clean-up crew for the CIA, like when CIA gunrunner Stephen Paddock, the patsy of the Las Vegas shooting, staying at the hotel, was taken out by an FBI operative during this event. It was labeled a suicide. Meanwhile he got the blame for the whole massacre, even though there were eyewitnesses saying that the bullets were flying into the crowd from different hotels. Similarly, the FBI took out the sheriffs in Parkland to clean up the scene for the CIA so Broward County would receive a six million dollar cash infusion. The county received compensation instead of the families of the victims.

Las Vegas Shooting –This was a failed assassination attempt on Mohammed bin Salman [MBS], the Crown Prince of Saudi Arabia, and now the de facto King, acting as the power behind his father's throne. BlackRock's Erik Prince escorted MBS out of the Tropicana Hotel where he was staying the night of the shooting. The gunrunners and CIA operatives were on top of the Mandalay Bay Hotel, which is owned by billionaire Prince Al Waleed, who was trying to take him out. Al Waleed was later placed under arrest by MBS in an effort to purge Saudi Arabia of corruption and get rid of enemies of MBS. Al Waleed was then exiled to NY and helped finance Donald Trump. Al Waleed's nickname is Prince Dopey.

Parkland Shooting – Nicholas Cruz never fired a shot. He was likely MK-Ultra mid controlled, and he was the fall guy. These types of shootings are CIA events.

The El Paso, Texas shooting is another example. The El Paso shooter looked very confused, and as the patsy he was MK-Ultra mind controlled.

The Parkland shooting was used to get funds from the government. I speculate that the DNC was short of funds, and Debbie Wasserman Schultz was involved,

as she is from a Mafia family, like Nancy Pelosi. Nancy Pelosi's real first name is Alessandra. Wasserman Schultz had three attorneys, including the top attorney in Florida. He was the lead AG in Florida trying to indict her before he was murdered. She is also linked to the Awan BlackBerry scandal, and was the only Representative who retained Imran as her IT assistant after he got arrested. He was later convicted of bank fraud. They were also taking everyone's information and sending it to Pakistan's Inter-Services Intelligence.

They want to use the shootings to make people anti-gun so they can take everyone's weapons and we cannot fight back. They also use it to create chaos so people will be afraid. They might as well confiscate cars while they are at it.

D.U.M.B.S

DEEP UNDERGROUND MILITARY BASES

A good portion of the \$13 million from 9-11 donations was used towards building some of these secret underground locations. There are at least 265 D.U.M.B.S that have been built miles below the surface of the earth using boring machines which are bigger than my house. They liquefy rock into glass and bore the space for huge tunnels and underground cities. They spend about \$66 million per base where there are full-on cities underground and holograms of grass and trees to make them look pretty. They are linked by Maglev. Maglev is the word for magnetic trains that can go around the earth in a couple of hours.

CHILD TRAFFICKING & ADRENOCHROME

Among other nefarious activities, these underground locations house man facilities where trafficked children are imprisoned in electrified cages. They are raped, tortured and terrorized beyond words in order to stimulate their adrenochrome production.

Adrenochrome, a byproduct of adrenelin, is a high selling commodity, even higher than illegal drugs like cocaine or heroin. It is produced by the body and released into the bloodstream when people are subjected to extreme physical pain and terror. It provides strength and vitality to the body to deal with horrific events. In these underground facilities adrenochrome is forcefully harvested from the bloodstreams of these captive, terrorized children. It is then processed, packaged and sold to people who want to look younger, at any cost. The

children are murdered and disposed of when their bodies become so exhausted that the quality of their adrenochrome is no longer marketable.

This is a hugely profitable business that can make people look much younger. It is especially sought after and used by many involved in the Hollywood filmmaking industry and music industry. It is said that Celine Dion is among the users. Abandoned military bases, many in California and New York are also used as adrenochrome production sites.

Thankfully, Patriots have been going down into these D.U.M.B.S and saving many trafficked children who are hidden, exploited and murdered in these locations.

After extracting the children, the D.U.M.B.S are often exploded and collapsed by the Patriots, which is the reason behind the strange geo-locations of some earthquakes. Donald Trump only had the loyalty of the Army and had to clean out the Marines, USAF, and Navy. A lot of them worked in these underground military bases. They have secret underground military bases in South America, Europe, and anywhere the U.S. military has a presence.

We exposed the Cannibal Clubs in California and New York, which are restaurants serving fresh human meat. Cannibalism is not illegal in the U.S.

MK-ULTRA PUPPETS

Christine Blasey Ford is another CIA MK-Ultra puppets, who is now a teacher at the CIA training school of Stanford University. Her father, Ralph Blasey, took over the liquidation of drug funds for the CIA from a man called Nicholas Deak.

Nichlos Deak had filed for bankruptcy the year before and had spent most of his career after World War II as a money launderer for the CIA and other organized criminal syndicates, including Colombian drug cartels. Deak was murdered by yet another CIA MK-Ultra victim, Lois Lang.

Lois Lang was homeless at the time she traveled over 4,000 miles to assassinate Nicholas Deak. Lois Lang had been taken in by the Nazi scientist, Joseph Mengele, at his home in Seattle. It was there that she was used as a test subject for experiments.

Christine Blasey Ford was rewarded handsomely for her services to the CIA partly through a cool million [\$1million] in her GoFundMe Account. They certainly like to reward their operatives, especially ones that they have under mind control like Obama and Big Mike (#BecomingMichelle). Obama received a \$65 million, 20% kickback from a publishing company called Pearson, a subsidiary of Penguin Books. They received e \$350 million payment for a common core math book that they never even published. The book agent that connects many of these people is Javelin Publishing, another client of theirs is Marie Yavonovitch, Ambassador to the Ukraine.

Geopolitical Groups, Pawns & Events

THE HIDEOUT AT CERN

After thirteen explosions/gunshots near Langley, Virginia, CIA assets from Guatemala, Frankfurt, Germany, and Langley, Virginia are all heading to CERN in Meyrin, Switzerland, where they have a deep, top-secret military base

under the city. This can only be accessed via MagLev train or submarine. The MagLev train is like the Japanese bullet train called the ShinkanSen, however, the MagLev is 100x faster than the ShinkanSen and can only be accessed by Deep State operatives.

ME TOO MOVEMENT

Let us talk about #MeToo. The Me Too movement is a movement that happens to actors every single day. If you are an attractive actor or actress and you do not get hit on, then something is wrong. Most actors and actresses are willing to have sex for a job. This is a reality that many non-Hollywood people refuse to believe.

The Me Too movement started with Rose McGowan, who was indeed raped. There is a difference between getting raped and giving it up for a job. One is voluntary prostitution and the other is a non- consensual crime. Now because of power abuses by women, men are afraid to even talk to women and the climate has made things uncomfortable for men. It is horrible. The prime target is the white male because the CIA knows that the white male will fight back, not including most Millennials. In this way the white male will be discredited and demonized. They have not added into the equation the Hispanic and Asian females. We are the secret weapons and will fight back. They use color revolutions to divide us by race.

They attempt to use age, race, and religion to divide everyone by any means that they can.

BLACK LIVES MATTER/ANTIFA

BLM and Antifa are mostly Caucasian groups that are organized and paid for by Soros and others so that they can destroy the opportunity zones created by Donald Trump while he was in office. This creates opportunities for billionaires to buy-up real estate for pennies on the dollar and use their capital gains as tax write-offs. The group also acts as a slush fund for ActBlue. All of the donations to BLM went to ActBlue. ActBlue does not donate to one single black person, rather, it donated to Pete Buttigieg, Amy Klobuchar, and Andrew Yang. They also get a lot of funding from the Thousand Talents Program which is run by Susan Rosenberg, which funds BLM but does not donate to a single black person, family or cause.

ENGLAND, OPRAH WINFREY & THE VATICAN

England is the old guard of the cabal and the monarchy is not English but German. The whole of London is one deep underground military base connected by tunnels. Wherever there are tunnels there is child trafficking. Oprah Winfrey said, "I'm not being arrested", then why do you have tunnels, Oprah? Same thing with the Vatican. The Vatican however kept good records. A Vatican reporter there claimed that sixty priests died of COVID. The translation for that is that sixty priests were put to death.

THE WAYFAIR AFFAIR

The Wayfair Company has furniture named after children, selling children masked as high-priced furniture. Why would you buy an \$18 cabinet for \$1,800? Because there are children attached to it, hello, wake up people.

ALYSSA MILANO

Alyssa Milano is not a victim, she is a predator who left her husband who worked for CAA [Creative Artist Agency], a satanic agency that manages most Hollywood actors and actresses. The layout of their building looks like a satanic cabal with phallic and satanic symbols in the building and around it when looking at it from above. She has traveled under her maiden name, Alyssa Rodgers, to Epstein Island multiple times. This was revealed in the Epstein flight logs.

She had people paid to be at the Kavanaugh hearing. Like BLM and Antifa, she is paid through Moveon.org by Soros who also funds BLM and Antifa. Portland is the unholy birthplace of Antifa. It has seen perhaps the most violence of any of the leftist cities.

Milano likes to give long speeches to brainwashed low-info Libtards that regurgitate what she says as if they are in a trance. She has been on the frontlines of propagandizing the Millennials, a generation that has already been brainwashed through high school and college by teachers associated with Antifa and Communism. Some of these teachers are violent, as shown by the assault on someone with a metal object, which was committed by one of these teachers.

GEORGE FLOYD

The George Floyd event was a huge farce, he was friends with the cop, and he guy they had in jail did not even look like the same guy. The autopsy reported that he had amphetamines and fentanyl in his system. He asked to be put down to the ground and was likely dying anyway, but those two knew each other, the cop and Floyd. They worked together for over a decade doing counterfeiting.

NEW ZEALAND

New Zealand is owned by the Cabal, they have all their bunkers there. New Zealand and Australia are done. China has Australia and the Cabal has New Zealand. Direct Energy Weapons and fires in the Australian Outback are planned and set. The biggest surprise is the people that are supposedly environmentalists are the ones starting the fires, like Leonardo DiCaprio, who is wanted for burning down the Amazon Rainforest in Brazil. I am very blunt,

straight to the point and honest, and I like Donald Trump for having those attributes as well.

AGENDA 2030

Formally called Agenda 21, its objective is to reduce the world population using vaccinations, weather warfare, and starvation. Their goal is to reduce the world's population from approximately 7.5 billion to 550 million. In China alone, over 700 thousand people were killed from COVID-19.

Intel on China & Taiwan

Are Plans Afoot to Remove the Chinese Communist Party?

02.02.2021 20:28 [Geopolitics](#)

Which other Western leader has been allowed into the Forbidden City?

February 1, 2021 by Steve Beckow from Golden Age of Gaia

Good morning,

I am someone in the know appointed and posted to a liaison position in Taiwan, R.O.C. by someone in 45's inner circle. I wish to relay some intel that may be useful to you and your audience. You may disseminate this information as you see fit.

As one of the few patriots (and the only Chinese patriot) with the wit and keen observational skills to realize that Mogul is still in-fact our POTUS, the fact that you have been the person who has most accurately described what is happening in the shadows through your guests and intel gathered, and in addition to your perceptive analysis of Chinese politics and foreign relations, I believe you and your channels would be the most prudent person and outlets to share this information with.

Let's get to the point. The lifting of some of the restrictions of the Taiwan Relations Act was more substantive than it appeared; in-fact it was actually the dissolution of the Taiwan Relations Act. The United States government is no longer recognizing the People's Republic of China as the legitimate government of the mainland. This is being done jointly with Chairman Xi and 45, and although this can't be brought to the public light at this time, all will be revealed shortly.

Prior to the dissolution of the Taiwan Relations Act, United States Indo-Pacific Command under the direction of 45 with the Taiwan R.O.C. military, have been preparing an occupation force for the mainland when the CCP collapses in the coming month. Why do you think the Taiwan Relations Act was dissolved? If it had remained, it would have been a legal barrier to help with the occupation of the Chinese mainland with the R.O.C. forces.

As you are undoubtedly aware, Chairman Xi has been removing key CCP loyalists within the Chinese military structural command. Why do you think this was done? It was done to install the Chinese PLA forces with military leadership loyal to Chairman Xi and the alliance and to facilitate the upcoming occupation of the Chinese mainland with U.S. and R.O.C. occupational forces. In the coming month Chairman Xi will be dissolving the People's Republic of China, stepping down from CCP leadership, and using the Chinese forces to keep order and the Chinese economy from collapsing while the the U.S. and R.O.C. forces install a provisional government led by Taiwan, R.O.C. All of this will be done peacefully and it will not be all that dissimilar to what happened in the former U.S.S.R. when it collapsed.

45 remains firmly in control of what is important now and our assets.

In order for 45 to return to the public eye in the position he has earned, CCP supply chain of influence and resources have to be removed to facilitate this and hence why this has been planned all along and will occur before March 2021. This is also why 45 has been in Florida until now and putting the final touches on all the pieces of the proverbial chessboard. All of this has always been 45's plan to remove the CCP's influence around the world and in China.

Keep up the faith, all is being revealed.

Hi Cirsten, Saturday, May 9, 2020 @ 4:18 PM PST

I finally heard back from General Moore, and he verified Brennan, Clapper have been arrested what you see in public from Schiff is a double, as in "clone". If you see Epstein or Brennan in public it will be a clone. As you well know Hillary was cloned, not just body double. Epstein was heavy into cloning, as you know, so was Bill Clinton. I do not expect this to ever make MSM new for obvious reasons. It would destroy their agenda. They are not about to admit deep state arrests to the public. It would not surprise me if they had a clone for all of them who are and have been arres

He has all the #Wikileaks evidence that can clear #JulianAssange and expose CIA operative Edward Snowden who tried to gauge the eyes out of the NSA for the CIA. He also framed Julian

Former CIA Director, John Brennan, was arrested on April 6, 2020. Brennan made off with some \$70 million of government funds and was on the principal blackmailers of Barack Obama by having his real identification. Speaking of Obama, John McCain was the one who funded and armed ISIS for him. McCain was given the nickname "No-name McCain" by the military because they did not want to give him a real name. Obama, born in Kenya, is a homosexual whose husband, Michael LaVaughn Robinson, is a transsexual. Obama is the girl in that relationship.

“Who is Michael LaVaughn Robinson?”

<https://www.thecourierdaily.com/who-michael-lavaughn-robinson-michelle-obama/23631/>

Unfortunately for Millennials, their generation has received the worst education, indoctrination, and the worst economy. The economy was the fault of Barack Obama. The COVID lockdowns were used to destroy the success of Trump’s economy, which was the greatest in history. As a CIA agent, during his time in office, Obama used different names for the same terrorist group to confuse people. ISIL, ISIS, and Al-Qaeda are the same group with different names.

ADAM SCHIFF & ADRENOCHROME

Adam Schiff accepted \$7.8 million to help cover up the murder of hotel employees in Newport Beach to prevent them from talking about child trafficking which had been run through the Standard Hotel. Hotel employees were killed in a helicopter crash which effectively prevented them from talking about Port of Long Beach child trafficking. Children were brought in from everywhere, including Haiti. Haitian children, who they call "walnut sauce", apparently have stronger adrenochrome due to their having more melanin.

ILHAN OMAR

OMAR, ILHAN ABDULLAHI

Minnesota Representative Ilhan Abdullahi Omar is not who she claims to be. Her real name is Ilhan Nur Said Elmi. She is the daughter of Said Elmi, who aided the Somalian dictator, Said Barre, in murdering thousands. She is a terrorist who came to the United States by claiming asylum. She then made her brother a citizen by marrying him. This differs from how many illegals are brought into the country through the group Pueblo Sin Fronteras, an entity funded by both the CIA and George Soros. Elmi's daughter is a radical as well, along with the daughter of Minnesota Governor, Hope Waltz and Jeremiah Ellison, who both support ANTIFA and wish to Defund the Police. Elmi/Omar was also found guilty of misspending money that was intended for campaign use and was ordered to pay back \$3,469.23 in addition to a \$500 civil penalty. Omar has almost single-handedly destroyed the State of Minnesota.

Here is your precious muslim congresswoman at a Al' Qaida training camp in Somalia. She is trying to get this picture blocked.

**JEFFERY EPSTEIN, GHISLAINE MAXWELL
& DIANE FIENSTEIN**

Jeffrey Epstein and Ghislaine Maxwell are obviously freaks. Just like her dad, Bob Maxwell, Ghislaine works for Mossad (the national intelligence agency of Israel), and the CIA. Her father was a triple agent. Diane Feinstein, who pushed all of our trade over to China, is definitely a triple agent for Mossad, China, and for the CIA. China's Belt and Road Initiative is being used to control all of Asia's shipping as they try to create a 21st century New Silk Road. There were also packets of cocaine washing up on the shores of Melbourne Beach in Florida, which originated from the Clintons CIA drug trafficking operation out of Mena Arkansas while Bill Clinton was governor. I am sure they also lost their heroin originating from Afghanistan and the Bush family. The pharmaceuticals were brought in from China by Les Wexner of Limited Brand, who is known for being the former main patron of Jeffrey Epstein. Recently there were reports by the mainstream media of three bangs/explosions heard in

Langley, Virginia which was thirteen explosions. Something was amiss, as main stream media, MSM, reported they shot their intruder who was one of their own, a tiny guy who graduated from Yale and the well-known CIA training ground that is Harvard University.

THE PAYSEURS, ROTHSCHILDS & SOROS

The Payseurs that started the railroads in America are bigger than the Rothschilds and the others. Three layers of the cabal include firstly, George Soros, who died a few years ago. They claim he's worth \$1 trillion but I think he's worth more than that. The Rothschilds are worth \$4 trillion. The House of Saud which is an ally of the United States is worth \$6 trillion dollars. Criminals also include the Supreme Court Justice John Roberts, who took three trillion dollars from building #7 on 9/11 and gave the remaining 20 trillion to the Clintons, The Cheneys, and the Bushes. We know that he also picked a replacement for Judge Scalia before he was murdered. \$800 billion dollars in hidden funds has also been exposed and the fact that he was blackmailed by the CIA Scotland. Roberts is a huge criminal and has been to Epstein Island numerous times. Speaking of U.S. Supreme Court Justices, Ruth Bader Ginsberg had two body doubles during her time in power. Everything that Lin Wood has been saying has come to fruition.

ALEXANDRIA OCASIO-CORTEZ AOC

AOC is a low IQ idiot. She was a bartender that was selected by the Young Turks whose Chief of Staff is Saikat Chakrabarti, a wealthy tech entrepreneur. Chakrabarti created a multi-million-dollar PAC in secret that forced him to step down when it was exposed. Nevertheless, AOC is still not in prison. She was

also seen fake crying at the border when nothing was behind her in the background. The children shown to be locked up were put there by the Obama administration. AOC, aka Sandy Cortez, is from a wealthy Westchester family and was illegally paying her boyfriend, Ryan, \$3,000 a month using funds siphoned out of her campaign finances. She also participated in Zoom calls with the radicals at the Sunrise Movement, claiming that if a building had to be burned down to the ground, so be it. The Green New Deal, which she claims to have written, was written by the radical Zack Exley.

Freemasons are part of the cabal and satanic. China owns Australia and much of Ukraine. Ukraine is an important geopolitical hub because it is a laundering center for a lot of funds and the Ukraine has plane manufacturing, oil, and lots of Intel that China desires.

The Biden Crime Family

The CIA did not want Joe Biden to win, they wanted Pete Buttigieg, but because the CIA is riding shotgun for China, Biden was chosen. Buttigieg was born on a CIA base and worked in Afghanistan long term as a CIA operative. China had more power because they had more money, so they chose Biden over Buttigieg. The former CEFC (China Energy Company) owner was murdered and its capital was divided among Chinese interest groups. Biden also took a cut after giving China control of it. If you give up your company, like Jack Ma of Alibaba did, you may still be allowed to stay alive if the CCP is placed on the executive board and given control. If not, a Chinese businessman will either be killed or put in prison.

“The big guy”, Joe Biden, playing golf with Ukrainian energy executives that Joe said he never met. The Biden Crime Family received \$4.9 billion from China, which owns much of the Ukraine. Joe Biden was getting money from the billionaires in China who have limited options when the CCP wants to use them.

When you are talking about the Bidens you are talking about the Biden Five: his son Hunter, his sisters and his two brothers. One of his brothers got \$1.5 billion from Iraq to build 250,000 apartments but never built them, keeping the money for himself instead. Biden kickbacks are in the ballpark of \$10 billion. A GTV.org reporter exposed the sexual escapades of Hunter Biden which is the sexual blackmail that China uses to control Hunter Biden. For more information on criminals like Joe Biden and Kamala Harris, please check out the book “Profiles in Corruption”, by Peter Schweizer.

Ukraine Corruption Ties

Ukraine's population is 2 percent Jewish but almost 100 percent of Ukrainian immigrants to the United States are Jewish. Almost every Jew living in the Ukraine is migrating to the United States. Prominent Ukrainians include Alex Vindman and his brother, Jews who have been photographed by the cabal since they were children. Other corrupt Jewish attorneys include Andrew Weissman who collapsed Enron, and Arthur Anderson who did the Mueller probe. Rosa Brooks started the Transition Integrity project which is now being led by Norm Eisen. Eisen blocked me on Twitter because I tweeted

out the hashtag #arrestNormEismenandIanBasmen. Norman Eisen sued Donald Trump 180 times.

I want to give a shout out to George Nasif, who is the owner and founder of Secure Social Media Inc. and a great source for information on the Deep State. George provided Rudy Giuliani and Chanel Rion of OANN with his information on Ukraine. Ali Chalupa is an American who was the co-chair of the Democratic National Committee's Ethnic Council and is the founder of the political consulting firm, Chalupa & Associates, LLC. Chalupa is a pro-Ukrainian activist. Many prominent supporters of Trump have promoted the theory that Chalupa's past activities were part of a conspiracy between the DNC and the Ukrainian government to undermine Trump's campaign, before framing the Russians for hacking the DNC during the 2016 U.S. Presidential Election.

Other criminals with Ukrainian ties include the protégé of Ambassador Susan Rice, Eric Ciaramella [the name that got you banned from social media]. He is a fake whistleblower who stole millions of dollars from the World Bank on behalf of Susan Rice. Rice used Ciaramella to arrange snipers for the Ukraine crisis.

KIEV SNIPERS

The events that precipitated the downfall of the ex-President of Ukraine, Viktor Yanukovich, are the topic of much investigation. What is not disputed is the fact that snipers in Kiev, Ukraine were active on Thursday, February 20, 2014. On that day, more than 50 protesters were shot dead on both Instytutska Street and on other roads that lead to the main square of the city, the Maidan. Other casualties included 17 police officers killed earlier in the week. The new revolutionary government accuse Yanukovich of ordering police to open fire on February 18-20, 2014. Russian agents also partook in the slayings, and the interim Interior Minister, Arsen Avakov, asserted that twelve members of an elite riot police unit called Berkut were identified as suspects on the slaying of 17 people on Instytutska Street. The Berkut riot police group have since been disbanded by the new government. According to Avakov, the same automatic weapon was used to kill eight of the dead.

According to Valentyn Nalyvaychenko, the new head of SBU (Ukraine's security service) Berkut suspects are now in Crimea. He also stated that Russian FSB, (Federal Security Service) agents participated in the planning and execution of the operation.

Unidentified Russians were also present at SBU headquarters during the protests in Kiev this winter.

The interim Health Minister at the time, Oleh Musiy, stated, “I think it wasn’t just a part of the old regime but it was also the work of Russian Special Forces who served and maintained the ideology of the old regime.”

Yanukovych asserts that he never made the order for security forces to open fire. The Foreign Minister, Sergei Lavrov, said that Russia has Intel that Ukrainian neo-nazi group, Pravy Sektor (Right Sector) coordinated the Maidan sniper attacks.

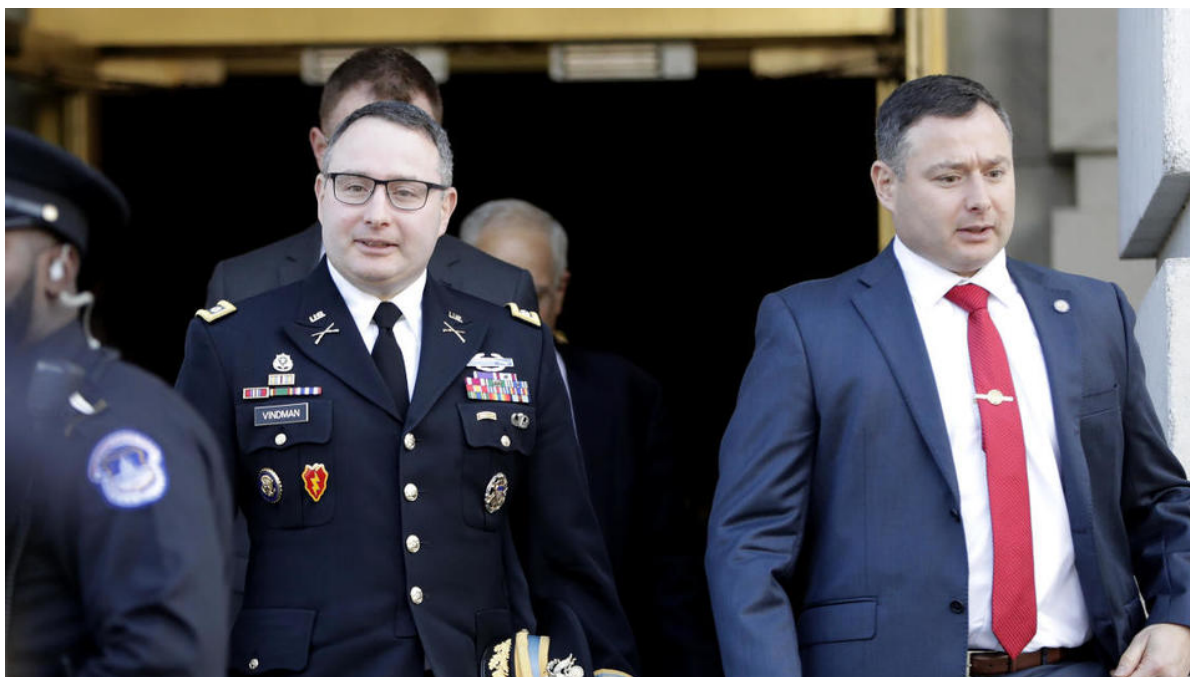

British forensic investigators told BBC that they have identified multiple places the snipers could have used to operate: Khreshchatyk Street, Kostiolna Street, the Ukraina Hotel, and the National Bank building.

This was all done so that the Russians would be blamed, prompting the United States to send millions of dollars to Ukraine. Ukraine is known for being rich in oil, gas, and material for plane manufacturing, not to mention the Intel sought after by foreign states like the CCP.

Hopefully, you can also understand why the CIA had operatives like Pam Karlan of Stanford University, Noah Feldman of Harvard University, and Alex

and Eugene Vindman from Ukraine in their pockets. The Vindmans would later go on to act as witnesses in the impeachment of President Donald Trump.

The Vindman Brothers

Q ANON

Let us talk about Q. Q is a group in the NSA of about a dozen patriots. The “anon” part of “Q Anon” is the group of worldwide Patriots who number some three hundred million. This is partly why Newsweek refused to do a live interview with me. If they taped it, then they could splice it up to twist my words and frame me as they did to the people in Washington D.C. on January 6, 2021. They let the riot inciter, John Sullivan of Antifa/BLM, walk free and never even arrested Jade Sacher, the corrupt CNN journalist that was interviewed by corrupt CIA operative, Anderson Cooper. Sullivan was paid \$35k two times [\$1k-5k is average rate] which was used to frame the patriots. They hardly do any research at all. Sad. I wish there were more Truthers and real journalists. Both fakes were interviewed by the known CIA operative, Anderson Cooper. I wish that the so-called real journalists would expose the real truth just once. Pathetic. Q is mostly right on but it is a team that should be

differentiated from Anon or it will be a little discombobulating. Q is a team. Their military Intel predicts about 2 years in advance. The Anons are called bakers and diggers who also give misinformation to try to throw the criminals off track. They give coded messages as they are also followed by the criminals. Q started right before Trump was elected in 2016. MSM has exhausted a lot of assets trying to discredit and attack Q because they are a threat.

Ever Given Suez Canal Crisis

Recently, the Ever Given ship was stuck in the Suez Canal. It contained: weapons for weather warfare, 1366 dead children, 1267 children who were still alive, containers of weapons six stories high and a nuclear device that was supposed to detonate when the ship was boarded.

The nuclear device failed to detonate as it was jammed by the United States Space Force. This is the same Space Force that the Patriots work for, that is now linked to Tesla creator Elon Musk's Starlink. Basically, the CIA, that we are fighting daily, has not been able to collect everything on the ship, including the vaccines that were destroyed due to the high temperatures.

The Deep State shadow government is run by the Council of Foreign Relations, which runs the CIA, the Atlantic Council, politicians, Hollywood, the MSM and many other entities that control the world, including the United Nations, and the European Union. Henry Kissinger was kicked out of the Council on Foreign Relations along with Madeline Albright, a well-known associate of Hillary Clinton's. Kissinger once claimed that if the public suffers enough, they will beg the government to take over their lives.

As a result of the Suez Canal Ever Given crisis, the cabal lost billions in illegal profit, including the two ships that were supposed to guard the Ever Given, one named Barack 1 and the other named Mossad.

This event has also been linked to the recent event on the 28th of April 2021, which included the arrest of a citizen journalist named Richard and the

presence of two ambulances at the White House, a direct energy weapon, and two snipers on the roof.

Currently, the White House doesn't seem to be functional during the day, but many things seem to be happening at night.

As you the reader may know, the weather warfare battle, which included participants CIA, NASA and the DOD, also lost a lot of their drugs in Hurricane Dory that was held over the Bahamas by the Patriots.

The CIA was evicted from North Korea and went to Guatemala and was adding terrorists from Yemen into the illegal surge.

The Frankfurt CIA, who were involved in the firefight with the Delta Force Special operators, had Gina Haspel at the helm, who was arrested, but not before one CIA agent was shot while 5 Delta Force Special Operators were killed.

On the 13th of May 2021, the Starlink satellite was put into orbit, giving quantum banking and quantum internet and voting abilities. The Starlink satellite will really come into play after the blackout, even though it's already begun with on the Geopolitical scene internationally with GESARA (Global Economic Security and Recovery Act) and here in the U.S. with NESARA (National Economic Security and Recovery Act).

Election 2020

One cannot speak on the 2020 United States Presidential Election without mentioning the Dominion Voting System. The now famous Dominion system and the Dominion servers deleted 2.7 million votes for Trump.

In Pennsylvania, the former corrupt Secretary of State, Kathy Boockvar, switched over 200,000 votes to Joseph Biden and 941,000 votes were also deleted. In Arizona, there were 900,000 fraudulent ballots and Trump was still ahead by 250,000 votes. All of this was done with the help of the supercomputer called Hammer, under the control of the CCP, which controls the Italian Leonardo satellite which was also implicated. This is not even including the 300,000 votes that were added by Stacey Abrams, another George Soros funded individual, like the many other Secretaries of State including Kathy Boockvar of Pennsylvania, Katie Hops of Arizona, Brad Raffensberger of Georgia, and Michigan's Jocelyn Benson.

There were also watermarks and folds that could be viewed by the counters in blue at AZaudit.org live. Basically, the bad guys are losing.

The Colonial Pipeline hack was an inside job and there was no hack. There was also no cyber security, just like there is no cyber security in CISA, [Certified Information Systems Auditor] which is run by Christopher Krebs. CISA covered up the SolarWinds hack that was committed by hackers who were brought in by the FBI's Peter Strzok to help Hilary Clinton during the 2016 election. The hacking group's name was Cozy Bear. The six swing states will fall like dominoes because of the massive voter fraud. We realize now that Donald Trump had 80,000,000 to 120,000,000 votes during the 2020 election, winning in a landslide victory.

BRIAN KEMP & STACEY ABRAMS

Georgia Governor Brian Kemp's biggest activist works for Dominion and is working for China. He did not want to do the recount but was forced to do so. There is video evidence of Stacey Abrams the radical leftist (I do not even call them liberals I call them radical leftists) putting in 200,000 ballots on behalf of Joe Biden.

DELTA FORCE WHITE HATS V. DEEP STATE BLACK HATS

Five patriot Delta Force Special Operators were killed due to corrupt black hat Gina Haspel's order to call in the expert help of a CIA agent who used to work in Afghanistan. It was a fight for Dominion's Frankfurt server.

Trump's State Department v. Black Hat CIA: The State Department ran a raid on black hat CIA server farm in Frankfurt, Germany. They were backdoor manipulators of the 2020 election via Dominion machines. New information surfaced that there was a firefight involving Delta Force engaged with CIA-trained paramilitary units flown in from Afghanistan, taken away from the poppy fields. One CIA officer was killed during the firefight and five Delta Force white hats were also KIA. Mainstream media reported the black hat death being in Somalia and the five Delta Force deaths as being in Egypt, even though all happened in Frankfurt, Germany.

Of course, the Dominion server that was seized by the Patriots contained a lot of information and was linked to the other server that was called SCYTL, located and seized in Spain. Smartmatic owns both companies, and servers were also seized in both Venezuela and Italy. Both servers were linked to the Italian satellite called Leonardo. All of these were controlled by the HAMMER supercomputer that was sold to the Chinese Communist Party by the FBI's former head, James Comey.

The CIA burned up the Dominion voting machines in Venezuela, where they were created. Gina Haspel had to fly a prominent CIA operative back from the poppy fields of Afghanistan to fight the patriots Delta Force. This ended up in the death of 5 Delta Force dead and that CIA operative dead, #frankfurt firefight. The Patriots then got rid of Mark Esper, head of the DOD who is a

shadow worker for the Cabal, aka Mr. Soft Hats, no weapons in D.C., Mark Esper. There was election Fraud.

In addition to expert witnesses testifying to the presence of election fraud and voter fraud in the Georgia and Michigan lawsuits, Trump spent \$3 million to contest the election results in Wisconsin. He also contested the results in both Georgia and Arizona. Our 45th POTUS is still in power, with the Insurrection Act, and the U.S. military is in control with DOD Secretary Chris Miller at the helm.

COVID-19

In the United States, there are fifteen P4 laboratories, which are the highest-level bio-weapon and pathogen laboratories. Started in 2017, research at UNC was transferred over to Winnipeg, Canada, where the head of the department was found dead with electrodes attached to his head. Charles Lieber, at the CIA school of Harvard, like the CIA school of Stanford with Christine Blasey Ford, was indoctrinating new cohorts of CIA operatives. Doing cell research, Charles Lieber accepted \$150,000 month from China and had two spies working with him, like Diane Feinstein's Chinese driver spy.

The CDC is holding back millions of doses of HCQ which cures Lupus and many other inflammatory diseases including COVID-19.

Miles Kwok or Mr. Gao is Steve Bannon's billionaire friend who escaped from China. Ms. Ming the Chinese virologist exposed that COVID-19 is a man-created virus. AIDS is a virus that came from vaccines is a lie created by Dr. Fauci, who has been creating viruses for over 40 years and likely works for the CIA.

MASKS

Masks do not work. It says on the box itself that the mask will not protect you from viruses. Fauci vacillates between mask recommendations, claiming masks work one minute and retracting his statement the next. Fauci was paid 1.5 million to open the Wuhan lab in China and Fauci took \$3.7 million dollars from taxpayers against Obama's orders to fund bat research, to add the DNA of the bat AIDs and SARS on top the Coronavirus. They had Patient X enter the State of Washington on the same day that Nancy Pelosi was trying to impeach Trump. Pelosi got her immunization the summer before when the elites went to Italy to do the same. Pelosi wanted to spread the viruses by showing up at Chinatown on mainstream news and Trump disallowed this.

CENTERS FOR DISEASE CONTROL

The CDC is a company owned by Bill Gates. Bill Gates donates to himself through his "philanthropic" work. Virus dissipates at 47.7 degrees Fahrenheit. This is not zoonotic [from animals]. It is a lab created virus. They also use the

Huawei 5G that uses radiation to destroy human cells. I had mercury poisoning from my fillings infecting me and I was gasping for air and dizzy. They poisoned Shokin with Mercury. Hypoxia can be caused by the NM95 Masks per Dr. Russell Blaylock, causing a 20% decrease in oxygen.

ANTHONY FAUCI & CHARLES LIEBER

On to Dr. Fauci, who spent \$3.7 million of taxpayer funds on [gain of function] bat research at the Wuhan Lab, despite the order from fellow CIA agent Barack Obama not to proceed. We also have the CIA's Harvard asset, Dr. Charles Lieber. Lieber was arrested for harboring two Chinese spies and was funded to the tune of \$1.5 million to open the high level P4 laboratory in Wuhan, China. Dr. Lieber is an expert in gain-of- function research on opening cells to add the SARS/HIV spike proteins to the novel coronavirus.

Do natural diseases get to be patented like the 1947 Zika virus whose patent is held by the Rockefellers? Every election year there is a new created virus they release.

The picture below shows every year they do research they are creating a new disease.

BILL GATES

Bill Gates, with his Pirbright Institute, holds a patent for COVID- 19 so they can create vaccines with the end goal of population control. 30,000 have already died worldwide from the four COVID-19 vaccines.

They make billions of dollars from this. When Patient X entered Washington State from China to initiate the infection, it was the same day that Nancy Pelosi signed the first Trump Impeachment attempt. Coincidence? It is interesting that the billionaire owners of the vaccine company that are the CDC, CIA assets Bill and Melinda Gates, are getting divorced during the same time as Jeff Bezos, another billionaire CIA asset. They are trying to avert the Trump Executive Order to seize all assets belonging to those who engage in nefarious activities. Just recently, on May 20, 2021, the Wyoming home of Bill Gates was raided by feds because he has a child dungeon at that residence.

Another objective of Gates and the cabal is the implementation of vaccine passports. The Gateway Pundit reported that fully vaccinated people in Oregon must show proof of their vaccine status to enter businesses without a mask.

California governor, Gavin Newsome, was one of 5 Governors who purposefully mixed COVID-19 patients and nursing home patients with the objective of maximizing the death toll.

MAINSTREAM MEDIA

MSM

The CIA-controlled Mockingbird Media is owned by the companies Disney, Viacom, News Corp, CBS, Time Warner and General Electric, bought by Comcast. All MSM talking points are given at 4AM daily through Gannett. Gannett Company is based in Tysons Corner, Virginia and is a publicly traded American media holding company that is the largest publisher of newspapers in the United States by daily circulation.

The lies and smears are then quoted after the media gets their daily order. Now it seems they are telecasting their movements out of arrogance. For example, the book, "Becoming Michelle", written by Michelle (aka Michael) LaVaughn Robinson, the former First "Lady". Robinson has not had the "lower" surgery yet, as did Lady Gaga aka Lady Boy Gaga, who got clipped.

President Donald J. Trump

In January of 2020, I was visited by two members of the Secret Service, one male and one female. A local Sheriff also visited me on account of the Intel that I released on my show about an assassination attempt on President Trump's life that resulted in the death of one Secret Service agent. I warned the agents not to allow the President near any unchecked briefcases while he was at Camp David. Donald Trump is trusting in God more and getting better as a man and a Christian. He is doing a job that only he can do.

Gene Decode is a black op military intel analyst that I also work with and I am the only journalist/exposer/YouTuber that has had the Secret Service come to my house because of intel released about assassination attempts on the life of Donald Trump. Over 50 attempts have been made on President Trump's life.

Jeff Sessions is a patriot and on his team. He got rid of Kelly and General Mattis, who are both corrupt Neocons. Trump had to drain the swamp at the White House of not just Mattis and Kelly, but General McMaster, Alex Amarosa, Eugene Vindman, White House Chief of Staff Reince Priebus, White House Communications Director Anthony Scaramucci, and Secretary of Health and Human Services, Tom Price. Priebus, Scaramucci and Price all had the shortest tenures of services in the history of their respective offices.

A famous nothing-burger was the Trump Tax affair, where it was alleged that Trump evaded taxes when in fact, his tax documentation has always been legitimate and forthcoming.

123201 11-24-14 LHA For Paperwork Reduction Act Notice, see instructions.

Form 990-PF (2014)

The MSM-Mockingbird media that has been in control since World War II, as a continuation of Operation Paperclip, will be no more once they black out their own internet and Project Mockingbird will turn into Project Odin, controlled by the Starlink satellite. This will bring free electricity, quantum internet and

technological innovations such as med beds. As we know, Lin Wood is likely a member of the Q team, along with Dan Scavino, Donald J Trump, and the genius Jewish Patriot, Ezra Cohen-Watnik. The tides are turning as Liz Cheney has finally lost her position in the GOP to a Jewish Patriot by the name of Elise Stefanik, who showed her genius at the attempted Trump impeachment. Of course, you have the corrupt attorneys, some 500 at the Department of Justice, placed there by Barack Obama, as well as the notable and most corrupt attorney, Andrew Weismann collapsed Enron, Arthur Anderson and was behind the Mueller probe, which eventually led to nothing whatsoever. His two friends, Ian Bassin and Norm Eisen, the latter of which sued Donald Trump 180 times, oversee the Transition Integrity Project. The Transition Integrity Project was a simulation held in June of 2020 on how to drive out Donald Trump from office were he to win the 2020 Presidential Election. This is like the Russian Hoax, where the Dirty Dossier was determined to be false as well.

Ian Bassin from Fusion GPS, which was the private firm that was paid by Hillary to push the hoax of the Trump/Dirty Dossier.

Ian Bassin

We are expecting the return of our POTUS, our real POTUS Donald J. Trump. Biden has not been allowed into the real White House.

There is nothing happening during the day in D.C., only at night. D.C. has been turned into a huge prison. Many have been on rendition flights to Gitmo and another jail in Alaska. High-profile criminals like Jeff Epstein and Hillary Clinton were taken to Iceworm Base in Greenland, where Clinton died 8 months ago. Meanwhile, financially speaking, over 100 bankers have been arrested from the Federal Reserve and the World Bank for disregarding Trump's executive order to stop printing money.

Another reason why the Rothschilds and the CIA cannot get to their funds, is because they have been locked out. Additionally, we have more than 2,000 bankers worldwide attempting to manipulate the value of the Iraqi Dinar. All will be revealed as the reset has begun, globally, with GESARA. Massive blackouts in

China, Canada, Australia, India, and Russia will drive the switch to the QFS or Quantum Financial System. QFS will be backed by gold, getting rid of the worthless fiat currency. There will be a Blackout that should last about 10-days total, and all will be exposed by August of 2021. The Blackout is contingent upon the audits in Maricopa County, Arizona, Wisconsin, Rhode Island, Pennsylvania, Antrim County, Michigan, and New Hampshire. Many of these

Dominion machines were serviced by Eric Coomer, head of Dominion, in Denver, Colorado.

Eric Coomer

Coomer rigged them to cheat the election results. Also, you have noticed that the Arizona audit has produced evidence of the fact that the servers were wiped.

All of this will be exposed and our POTUS, Donald J. Trump, will be returning this summer or by August 6, 2021 at the latest. Of course, military Intel cannot be on an exact date as there are very many circumstances during this war that cannot be timed exactly. So patriots, start unmasking as we wait for our POTUS to return.

About The Author

Cirsten W is an author, influencer, and public Intel analyst originally from Singapore. Her first book, *Singaporean Thoughts*, was released in 2016. As a child growing up in Singapore, Cirsten never dreamed she would grow up to become an international model, cover girl, and actress. She earned her Bachelor of Science degree at the young age of 18 from Loma Linda University, which afforded her the opportunities to visit California, Hawaii, New York, Europe, Singapore, and Japan. From her Singaporean heritage, she was always naturally a conservative capitalist. Cirsten has appeared in the film about the musical group, The Doors. However, this led to a her lifestyle of constant partying, ultimately resulting in a drug overdose in the '90s, which prompted her to leave Los Angeles and get back to her roots as a Second Generation Seventh Day Adventist. Once she reclaimed her relationship with God, she was led to her passion of interior design, and has hosted two interior design makeover television shows. Cirsten currently lives in Florida, and is enjoying expanding her passions for interior designing and exposing criminals and corruption.
